ORGANIC FRUIT PURÉE DESSERTS
UNIQUELY CAPTURED FRESH FLAVOUR

Clearspring

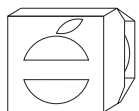

UNIQUELY DELIVERING SALES TO YOUR STORE

Each variety of Clearspring Fruit Purée has a distinct and memorable flavour that comes from using organic fruit, harvested at the peak of ripeness, carefully pulped then briefly heated using a special process to preserve the full flavour and nutrition. Nothing else is added.

The two handy, ambient pots in each pack are ideal for packed lunches, desserts or toppings and are great chilled or frozen.
